Around the House Home Improvements proudly serves the Baton Rouge and surrounding areas specializing in Kitchen & Bath Remodeling.

Our customers feel comfortable with our no-hassle, no-obligation approach to business.

We are an experienced, full-service remodeling company. Our attention to detail & craftsmanship is reflected in every project we do. Our installations are performed by our quality in-house professionals, so you can be assured that your project will get the personal attention it deserves. We are with you from concept to completion.

Around the House also assists you with design options and solutions.

We work as a team with our clients and guide them through the selection and remodeling process, combining style and function with colors, finishes, design details, woods and accessories. We are committed to helping you achieve your kitchen and bath remodeling goals.

Call us today at (225) 505-8511 and let us show you just how easy it is to improve the value and appearance of your kitchen or bathroom.

We carry a wide variety of styles and options for our cabinet doors. See our full samples online or ask our representative for a catalog. Special orders are also accepted for customized applications.
